

Royal Flying Doctor Service

SOUTH EASTERN SECTION

Licensed Aircraft Maintenance Engineers - Dubbo NSW

The RFDS South Eastern Section is an iconic not for profit organisation, providing an invaluable service to rural and remote communities.

RFDSSE is seeking applications from Aircraft Maintenance Engineers (LAME) who hold an Airframe/Engine B1 Licence to join our Aircraft Maintenance Team at Dubbo.

Ideally you will have experience and current ratings on King Air B200 and B350 aircraft with PT6, have worked in general aviation with a proven track record of problem solving, a diligent work history and excellent analytical skills.

You must be available to participate in a rotating on call roster. Along with a good working knowledge of WHS requirements, you will have demonstrated a customer service approach to your work, along with the ability to effectively communicate with internal and external stakeholders.

Reporting to the Senior Base Engineer, the LAME B1 will be required to make determinations in regards to defects and discrepancies, recognise and report unsafe conditions and conduct certification of maintenance tasks after a probationary period.

To join our team at Dubbo, **LAME applicants must have:**

- B1.1 License with PT6 endorsed rating
- Ability to work with minimal supervision
- Perform tasks with an emphasis on duty of care to self and other employees
- Ability to gain and maintain an aviation security card (ASIC)

In return the RFDS offers exceptional professional satisfaction, competitive salary and generous salary packaging options.

To apply: forward your resume, with the names of two referees and copies of your qualifications to careers@rfdssse.org.au

For further enquiries: please email the RFDS Engineering Manager on troy.wild@rfdssse.org.au

Applications close Monday 12 February 2018

Any published closing dates are estimated, the RFDS SE aim to fill vacancies as quickly as possible. This means that we will close adverts as soon as we have found the right candidate and this may be before the published closing date. We would therefore advise interested applicants to submit an application as early as possible.
