RE: 2016 Financial Report Correction

Dear Member,

Notice 005/2017 informed members that the 2016 Audited Financial Report was available for members to view on the ALAEA website.

We have since realised that the report loaded to the website did not have the signed Auditors report accompanying it.

We have removed the previous version from the site and have loaded the correct version. Please note there are no variations to the financial statements within.

The electronic copy is available as above however any member without internet access or who wishes to receive a hard copy of the document please contact our Federal Office to arrange on 02 9554 9399.

Regards

STEPHEN PURVINAS
