RE: AEROSPACE MAINTENANCE COMPETITION 2020

The ALAEA is seeking expressions of interest from members to represent the ALAEA at the 2020 AMC to be held in conjunction with MRO America's in Dallas, Texas, April 28-30 2020. 5 positions are available on the team consisting of 3 B1's and 2 B2 engineers.

Members from mainline, regional, general aviation, and rotary wing are encouraged to apply as we require a diverse range of skills. The ALAEA has competed in the AMC since 2010 and we always perform well as a team and make new friends along the way whilst gaining an unforgettable experience.

Reasonable funds for travel, meals and accommodation expenses will be provided for the team but you will need to make your own arrangements for leave from work.

If you are interested, please fill out and submit the attached form no later than 27 November 2019.

Should you have any questions, please feel free to contact me.

The Aerospace Maintenance Competition (AMC) is a venue for teams of certificated Aircraft Maintenance Technicians, Aircraft Maintenance Engineers, Inspectors and students enrolled in either FAA, EASA, CASA or equivalently authorized schools as well as personnel of any country's Armed Forces that are involved in the aircraft maintenance and spacecraft maintenance field. Uncertificated Aircraft Technicians and Aircraft Engineers employed with a MRO/OEM company are also eligible to compete.

The AMC is an opportunity for today's and tomorrow's skilled Aviation Maintenance Professionals to test their combined abilities against those of their peers.
