RE: QANTAS Eq LAMEPY UPDATE

Members would be aware that there appears to have been a major change in indications for LAME's position as displayed on Eq.

The ALAEA has not been made aware of any impending Eq updates. There has been no consultation and members inform us that the new indications on Eq also appear to be incorrect.

As a result the ALAEA has been inundated with queries.

The ALAEA has requested an urgent meeting for Qantas to provide an explanation of the Eq changes. We will provide an update when information becomes available.
